

International Statistical Literacy Poster Competition 2012–2013

Participating

- Teams of 2–3 students
- 2 categories
 - a) students born in 1997 and younger
 - b) students born in 1994 and younger
- Free entry
- Registration starts on the 3rd of September

Why make posters?

It is an interesting way

- to work as a team
- to investigate real questions using data
- to use calculation and graphical skills
- to interpret statistical results
- to develop written communication skills

Prizes

- National winners posters to be displayed at World Statistics Congress in Hong Kong, China in August 2013
- National and international prizes to be announced
