

International Statistical Literacy Poster Competition 2016–2017

Participating

- Teams of 2–3 students
- 2 categories
 - a) students born in 2000 and younger
 - b) students born in 1997 and younger
- Free entry
- The theme of the poster is your own country's history
- Registration starts on the 18th of January, 2016
- Submission deadline – on or before 17th March, 2017

Why make a poster?

It is an interesting way

- to work as a team
- to investigate real questions using real data
- to use your mathematical and graphical skills
- to interpret statistical results
- to develop your written communication skills

Prizes

- National winners posters to be displayed at World Statistics Congress in Marrakech in Marocco 2017
- National and international prizes to be announced
